STRIKE FORCE

The cop show filmed by cops. *Strike Force* is the inside story of the most gripping, heart-stopping, tense and nerve-racking police investigations, stings and taskforce operations in recent memory, told by the men and women who broke the case and were there when it all came crashing down.

Using video and sound captured by the New South Wales Police Media Unit, combined with surveillance, search and interview footage taken by the investigating units, *Strike Force* is a compelling insight into dramatic law enforcement takedowns.

CODE 1: MINUTE BY MINUTE

This series breaks down the hours, minutes and seconds of the biggest and most tragic news events - from terrorist attacks to plane and boat crashes, from epidemic thunderstorm to mass murders - to ever impact Australians.

People from all walks of life, forever joined by a single dreadful event. Some became survivors, some became victims, many were traumatised and others were accidental heroes.

Through meticulous research and in-depth interviews, we piece together the events of that fateful day.

For the most part their stories have never been told...until now.

SYDNEY HARBOUR FORCE

This series follows the struggles and triumphs of a dedicated group of people who have the responsibility of keeping safe the largest – and one of the busiest – natural harbours on the planet.

Home to the famous Harbour Bridge and Opera House, Sydney Harbour is one of the most iconic waterways on the planet.

Spanning 55 square kilometres, with 240 kilometres of shoreline, it houses myriad fascinating features. National parks, breath-taking private residences, a fortified island, a zoo and a constantly changing face of major construction on the water’s edge.

The living and breathing waterway buzzes with activity year-round, with harbour ferries, party boats, cruising yachts, salvage barges, all relying on it each and every day.

IN DEVELOPMENT

FIRST ON SCENE

Experience the raw moments captured by video journalists and hear the stories behind the headlines from those first on scene.

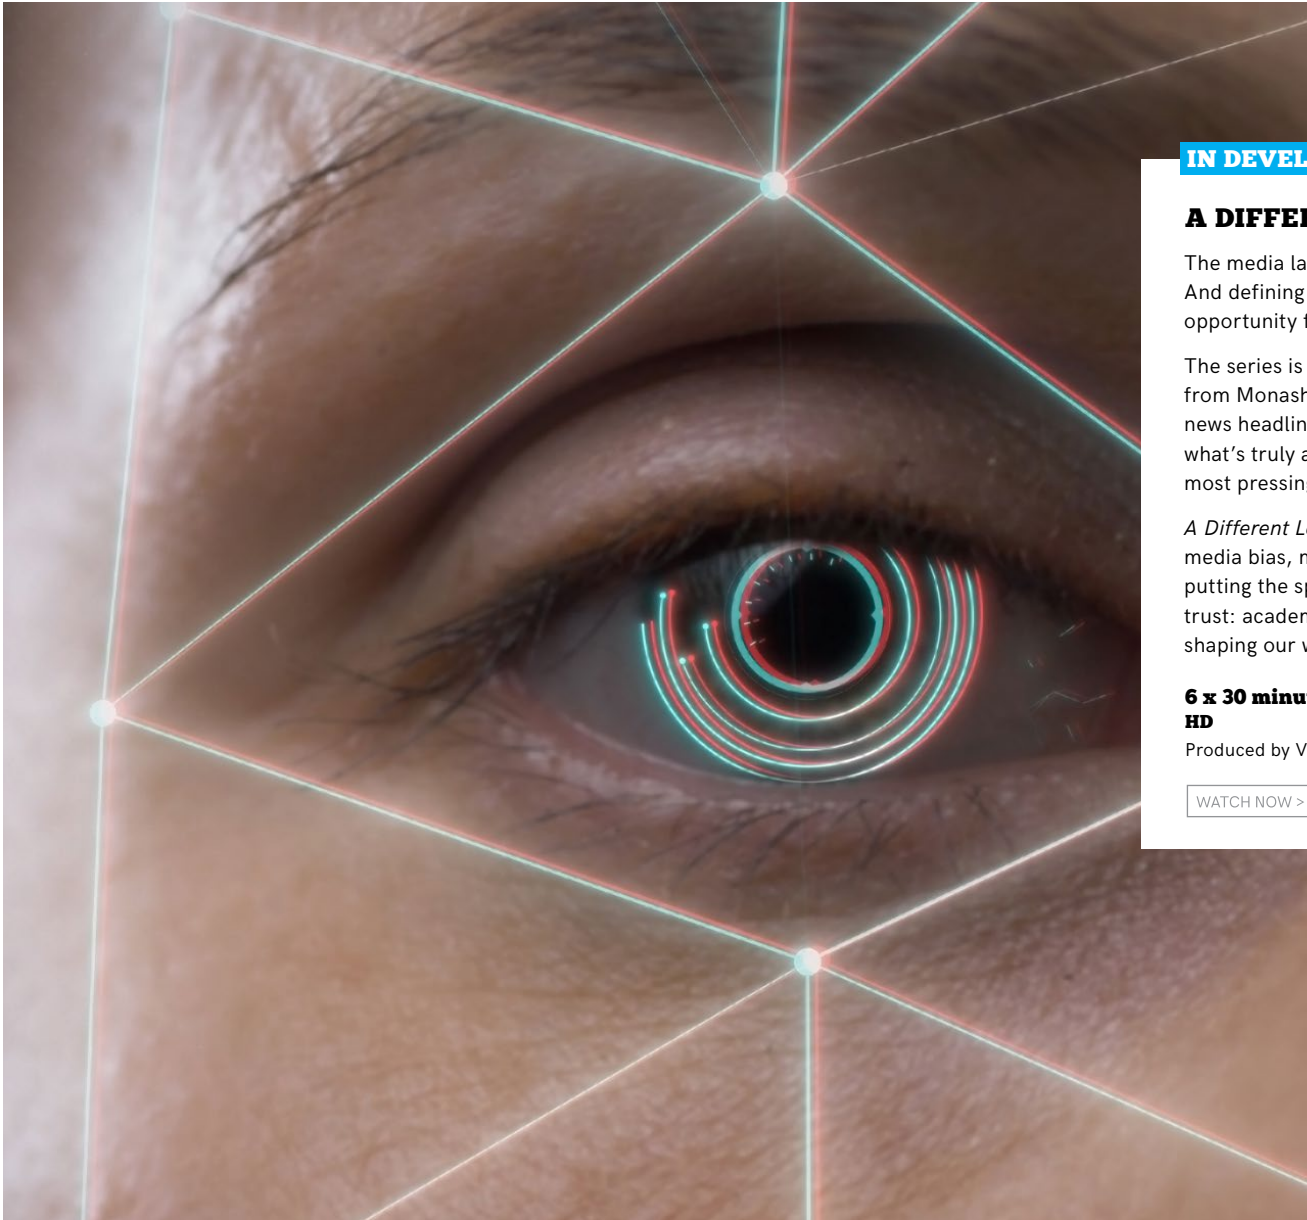

Each half-hour episode features eight thrilling news clips – car pursuits, hit & runs, head-on collisions, out-of-control flooding, animals on the loose, massive blazes, urban shootings, highspeed freeway occurrences, backyard infernos, plane crashes and wild weather.

Each clip is retold and dissected through master interviews with our cast of returning on-scene experts – camera journalists, ex Los Angeles police officers, fire fighters, paramedics and crime reporters. This expert commentary unpacks each story, giving play-by-play storytelling as if what we are watching is happening in real time.

RISE OF THE ECO-WARRIORS

Deep in the heart of Borneo, a crisis is unfolding.

Millions of hectares of pristine rainforest are being destroyed to make way for palm oil plantations, ruining the lives of the local people, threatening the future of wildlife species like orangutans, and contributing to climate change.

Fifteen passionate and adventurous young people from nine countries, leave their known worlds behind to travel to the heart of Borneo to confront the problem head on.

Jojo, an orphaned baby orangutan, is entrusted in their care, and they must somehow find a way to return her, and other orangutans, to a safe haven in the forest.

This is a story about what ordinary individuals can do if they are willing to step up and attempt to avert a global crisis.

TONY ROBINSON DOWN UNDER

From the first sighting by a wayward buccaneer in 1688 all the way through to the Sydney Olympics, Australia has been influenced by many cultures.

Now Sir Tony Robinson (*Time Team*, *The Worst Jobs in History*, *Blitz Street*) brings his distinctive passion for storytelling and discovery to reveal some astonishing quirks of history on the island continent.

The characters who left their fingerprints on Australia’s formative years were predominantly English and Irish. Nonetheless Tony will also reveal some surprising and controversial stories of the settlers and un-settlers from other countries (Austria, France, Israel, Germany and more): the rebels, ratbags and revolutionaries who contributed to the birth of a nation.

ICEBERGERS

Icebergers is an inventive, hilarious and often very wet film that takes you on a tour de force of the pier politics of cold-water swimming, combined with the true romance and comedy of the steam room. The adventures and predicaments of taking on winter with just a pair of swimming briefs and a waterproof camera are engrossing.

Icebergers is the story of David Brooks and his journey from the north of England to Melbourne, Australia – to discover the Brighton Icebergers, a group of swimmers who brave the sea year-round in waters dipping as low as seven degrees Celsius in winter.

‘You wake up in the morning thinking, Why the hell am I doing this? Why am I putting myself through this?’ says Brooks. ‘But then all of a sudden, after about 10 or 15 minutes, your body adapts and you get this glow coming through you and it’s amazing.’

NEW SEASON

SPACE INVADERS

Across the globe families are battling a clutter crisis and desperately need an intervention. Enter inspirational declutter guru Peter Walsh.

With multiple best-selling books and years 'organising' for TV titan Oprah Winfrey, Peter has transformed thousands of lives.

Joining Peter are renovation queen Cherie Barber and treasure hunter Lucas Callaghan. Cherie has just three days to renovate the homes, with her mantra 'minimum spend for maximum impact'.

Meanwhile former Aussie Pickers star Lucas sorts through the trash to find hidden gems he can turn into fast cash.

Authentic, emotion-charged and always good humoured, *Space Invaders* helps those in greatest need, and in the process inspires homeowners to improve their lives.

THE HOUSE THAT JK BUILT

Rugby legend, former New Zealand All Black Sir (JK) John Kirwan has conquered the world of sport, as a Rugby World Cup-winning player and as national coach of both Italy and Japan.

Now he's come home to New Zealand to build his own slice of paradise. A man of principal and taste, JK embarks on one his biggest challenges turning his old family holiday home into his dream home.

But from the very start, nothing quite goes to plan. A remodel quickly becomes a complete teardown and emotions run high as bulldozers rip through the old family home where his family grew up. One of New Zealand's foremost architects puts plans in place for an eco-friendly home by the sea and the 6-month project turns into 18 months when Covid stops the build in its tracks.

Join JK for the biggest challenge of his career and life as we follow *The House that JK built*.

LARRY THE WONDERPUP

A little dog with a big heart ... and a girl's giant imagination.

Get ready for *Larry the Wonderpup*, one super-cute pooch who will win kids' hearts with his irresistible tales and fantastic antics.

Rescued from the streets, little Larry is 'living large' with his new family. Every day, Larry and his owner, Sasha, embark on adventures, exploring the wonders of the real world and the realms of make-believe.

With the use of 'dog-cam' we see life from Larry's point of view, filled with excitement and curiosity. This in turn sees Sasha's creativity take over, as the story transitions from live-action to animation. In Sasha's imagination, Larry can soar like a superhero, become a spy or battle aliens.

With a mixture of live-action and 2D animation, this charming show encourages everyone to face their challenges. After all, even if you're small, you can still reach for the stars.

38 x 30 minutes (available in 15 minute episodes)
